

The Cat C18 Marine Propulsion Engine is available in power ratings from 620 mhp (610 bhp) 455 bkW to 1015 mhp (1000 bhp) 746 bkW. This 18 liter (1106 cu. in.) displacement In-Line 6 cylinder turbocharged and sea water aftercooled diesel engine is electronically controlled. The engine takes full advantage of the electronically controlled unit injection fuel system, resulting in an environmentally friendly engine with outstanding performance and fuel economy. The C18 engine comes well equipped with many standard items as listed on the specification sheet. There is also a wide range of optional equipment, plus a high quality custom paint finish, available to meet the needs of your marine commercial or pleasure craft application.

■ Optional Monitoring Systems

Caterpillar offers several "plug and play" monitoring systems which display everything from the basic engine operating parameters to engine load factor and trip totals. Ask your local Caterpillar dealer for additional information on our Marine Power Display (MPD), Marine Analog Power Display (MAPD), and our Engine Vision Display (EVD).

■ Product Support

Trained technicians at over 1800 authorized service locations worldwide support Caterpillar products. Use our Internet Dealer Locator www.cat.com to identify the Caterpillar dealer location nearest to you.

■ Parts Availability

To support your Caterpillar parts needs, we have strategically located 70 parts distribution centers in 24 countries on six continents shipping to more than 200 countries throughout the world to provide unparalleled

availability. Over 99 percent of the parts ordered by Caterpillar dealers are shipped from Caterpillar distribution centers within 24 hours.

■ Warranty

C18 Marine Propulsion engines used in commercial applications are covered for 12 months from the date of delivery to the end user.

Engines used in non-revenue producing pleasure craft applications are covered for 24 months, unlimited hours, from the date of delivery.

Concurrently, specific engine components are covered for 60 months, unlimited hours, from the date of delivery to the end user.

■ Extended Service Coverage (ESC)

Optional engine protection coverage for up to 60 months from date of delivery may be purchased through your local Caterpillar dealer.
